Acting Chief, Audio Operations Training

Report on TSD Instruction Given to OC No. 10

1. The attached reports outline the TSD training given to Operations Course No. 10 students.

2 For your convenience, these reports are presented in three sections. The first section contains reports written by the AOT Staff members describing the training conducted in Photography, Audio Surveillance, and Identi-Kit. The second section outlines TSD instruction given to OC No. 10 other than that described in section one. The third section contains a list of the students and the credits which they have earned.
